

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Southern California Edison Company

Project No. 1390-069

ERRATA NOTICE

(April 18, 2024)

On April 17, 2024, the Commission issued a *Notice of Scoping Meeting and Environmental Site Review* in the above referenced proceeding. The notice misstated that participants in the environmental site review should meet at the Lee Vining Community Center and that the site review will begin at 9:00 a.m. The correct environmental site review meeting location is Gus Hess Community Park - 129 Mattly Ave, Lee Vining, CA 93541. The correct environmental site review start time is 8:30 a.m.

Debbie-Anne A. Reese,
Acting Secretary.
