AGENDA

1. 2009 All Source RFO
2. Quantitative Analysis Update
3. Natural Gas Transportation Agreements
4. 2006 LTPP Update to Add New Brokers

PARTICIPANTS:

Energy Division: Donald Brooks, Kevin Dudney, James Loewen, Junaid Rahman

DRA: Frank Ghazzagh, Don Smith

CDWR-CERS: Jim Spence, Fred Mobasher (Electric Power Group)

Independent Evaluator: Andy Van Horn (Van Horn Consulting)

ACTION ITEMS:

1. Fred Mobasher requested that SCE provide a summary explanation of why it elected to seek approval to transfer the Mountainview Generation Station into utility ratebase. Attached is the requested information; the attachment consists of a 2-page excerpt from D.03-12-059 (i.e., the Commission decision approving the Mountainview PPA) which indicates the Commission's preference to transfer the resource to utility ratebase and a 3-page excerpt from SCE's recent General Rate Case explaining SCE's request to make the transfer. The transfer became effective July 1, 2009.
