

## Bear/Human Interaction License Article

The Licensee shall install and maintain bear-proof dumpsters at the Big Creek No. 1 administrative offices and company housing, and other Project facilities where food waste may be disposed of or stored. CDFG, FS and USFWS will review and approve dumpster design prior to installation. The Licensee shall also implement a program to educate SCE personnel about proper food storage and garbage disposal to reduce bear/human incidents. The education program shall consist of written materials (educational pamphlet) and employee training.
