Demand Response (DR) Customer Migration to Participate in Demand Response Auction Mechanism (“DRAM”)
Effective January 1, 2018

SCE DR Program Name ¹	De-enrollment Process	DRAM Registration	SCE Program De-enrollment Confirmation	Re-Enrollment	Comments
Automated Demand Response (ADR) Technology Incentive Program	Customer or Demand Response Provider (DRP) sends email to SCE3rdPartyDRP@sce.com and requests to add the Auto-DR DRAM profile to the identified Service Account(s).	<p>The Auto-DR DRAM profile must be added to the customer’s Service Account (SA). In addition, the SA must de-enroll from Utility ADR Qualifying DR Program (CBP, CPP).</p> <p>If SA is enrolled in multiple SCE DR programs, SA is available to join DRAM after last date of Utility DR program De-enrollment.</p>	<p>No outbound De-enrollment confirmation.</p> <p>Upon receipt of notification from SCE3rdPartyDRP@sce.com, the ADR Helpdesk adds the Auto-DR DRAM profile to the SA.</p> <p>Customer’s ADR equipment is disconnected from the Demand Response Automation Server (DRAS) after the customer de-enrolls from the Utility DR Program.</p>	After a customer enrolls in Utility DR Program, the Auto-DR DRAM profile is removed and their ADR equipment is re-connected to the DRAS so customer’s ADR equipment can receive DR event signals for Utility DR programs.	Customer retains ADR agreement obligations during DRAM period. ²

² ADR customers migrating to DRAM retain their obligations and performance requirements under their ADR commitments, except that notification of CAISO awards involving an ADR customer must be provided by the customer or customer’s aggregator or DRP, and the operation of the customer’s ADR equipment will be the responsibility of the customer, its aggregator, and/or its DRP. SCE will not provide notifications or operate the customer’s ADR equipment while the customer is participating in DRAM. Timely notification is required when the customer enrolls and de-enrolls in DRAM.
